DETAILED ACTION

Allowable Subject Matter

Claims 2-20 are allowed.

The following is an examiner's statement of reasons for allowance: generating on a wireless computing device a synchronization request message, wherein the synchronization request message includes a data object and an action taken on the data object in combination with validating the data object and the action on the server based upon the synchronization request message and business logic, defined by a user of the wireless computing device, corresponding to a domain of the data object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
